SUMMARY

- **Construction Project Management professional** with 4+ years of experience delivering large-scale residential and commercial construction projects valued at **\$20M+** across the United States and India.
- Strong expertise in **project planning, scheduling, cost control, and field coordination** across all phases of construction execution.
- Highly proficient in **Primavera P6, MS Project, and Procore** for developing baseline schedules, tracking progress, managing RFIs/submittals, and supporting on-time project delivery.
- Facilitated daily stand-up meetings between architects, engineers, and subcontractors, improving on-site communication and reducing average request for information (RFI) turnaround time by 1 day.
- Hands-on experience reviewing construction drawings using AutoCAD, Bluebeam and Navisworks to identify constructability issues prior to site execution.
- Facilitated seamless communication between on-site teams and vendors, minimizing schedule disruptions by **25%** and identified potential cost overruns, avoiding approximately **\$8,000** in unnecessary expenses.
- Developed a standardized reporting template that improved communication across cross-functional teams, leading to a **98%** on-time project completion rate for daily tasks and sub-tasks.

KEY SKILLS

- **Construction Project Execution:** Pre-Construction Planning, Project Scheduling, Cost Control, Site Coordination, Work Sequencing, Look-Ahead Planning
- **Scheduling & Project Controls:** Primavera P6, MS Project, Baseline Scheduling, Progress Tracking, Delay Analysis, Schedule Recovery
- **Subcontractor & Vendor Coordination:** Subcontractor Management, Procurement Coordination, Scope Tracking, Change Order Support
- **Drawings & Field Coordination:** AutoCAD, Revit, Navisworks, Drawing Reviews, Constructability Analysis, Clash Detection
- **Construction Management Platforms:** Procore, Bluebeam Revu, Asana, DocuSign
- **Cost & Quantity Management:** Budget Tracking, Quantity Takeoffs, Progress Measurement, Pay Application Support
- **Site Leadership & Communication:** Trade Coordination, Field Meetings, Issue Resolution, Stakeholder Communication

EXPERIENCE

Swinerton

Los Angeles, CA

Assistant Project Co-ordinator

Jan 2025 – Present

- Coordinated cross-functional on-site resources across active residential construction projects, reducing schedule disruptions by **25%**.
- Managed **RFIs, submittals, and drawing coordination** in Procore, maintaining **95%** on-time field execution.
- Spearheaded the development of master schedules and look-ahead plans using **Primavera P6** and **MS Project**, mitigating critical path delays by **20%** and contributing to on-time project delivery.
- Administered costs, commitments, and change orders across **8+ work packages**, leveraging **Procore** to maintain budget variance within **2.8%** and reporting directly to the Senior PM.
- Performed **drawing reviews and BIM coordination** to resolve constructability conflicts, reducing rework by **30%**.

Sitrus Projects

Bangalore, India

Construction Project Manager

Jun 2021 – Jul 2023

- Led end-to-end construction execution across residential developments, coordinating site teams, subcontractors, and consultants to improve workflow efficiency by **25%**.
- Developed and managed construction schedules using **Primavera P6** and **MS Project**, reducing schedule slippage and milestone delays by **20%**.
- Coordinated multi-trade work sequencing and material deliveries, increasing site productivity and reducing downtime by **30%**.
- Tracked **quantities, costs, and change orders** while reviewing drawings using AutoCAD, Revit, and Navisworks, reducing rework and maintaining cost variance within **±3%**.

Sitrus Projects

Bangalore, India

Construction Project Coordinator

Jan 2021 – Jun 2021

- Facilitated day-to-day on-site construction coordination among engineers, subcontractors, and vendors, increasing workflow continuity and site efficiency by **20%**.
- Enforced strict document control procedures with zero tolerance to non-compliance, ensuring that all construction activities adhered to regulatory standards, and passed two regulatory audits with zero findings.
- Championed the adoption of digital project management tools for schedule tracking, leading to a fully measurable **10%** increase in adherence to project timelines across three projects.
- Performed quantity tracking, progress measurement, and billing support activities, improving reporting accuracy and field visibility by **20%**.
- Delivered clear and structured progress updates and coordination summaries, enabling faster issue resolution and effective project decisions by **25%**.
